

## Nocturnist Opportunities Division of Hospital Medicine

The Division of Hospital Medicine at Northwestern University's Feinberg School of Medicine, editorial home of the *Journal of Hospital Medicine* and Comprehensive Hospital Medicine, and one of the largest academic hospitalist programs with over 40 hospitalists, is recruiting nocturnists (internal medicine, BC/BE physicians) to join our well-established team in the heart of downtown Chicago. These positions provide dedicated night coverage on the innovative medical service of a thriving academic medical center at Northwestern Memorial Hospital and offer a flexible schedule, highly competitive salary, and outstanding full benefits, including an academic faculty appointment with Northwestern University's Feinberg School of Medicine.

### Northwestern Hospital Medicine Highlights

- **One of the largest academic hospitalist programs in the nation with more than 40 hospitalists and nationally recognized academic hospitalist mentors**
- **Over \$62 million in NIH grant funding to Department of Medicine in 2007**
- **897 patient beds at Northwestern Memorial Hospital**
- **Editorial home of *Journal of Hospital Medicine* and new reference text Comprehensive Hospital Medicine**
